

Can you see a historic building or monument along the walking trail?
 Draw a picture of it or choose an interesting detail from it and draw that.....try doing it without removing your pencil from the page!

Draw a picture of the prettiest flower or plant or tree that you've spotted on the trail.

Scenic Walks Workbook

Here are a some ideas for things to do on your walk or when you get home. Have fun!

A **few tips**...when you start drawing don't feel like you have to create a masterpiece; often it is the quick and simple ones that turn out best.

Your writings are your own thoughts on paper...you don't have to write a book; it might be that a list of words that describes what you saw or thought best.

If you pass through a wooded area along the trail, describe the colours, smells and sounds that you notice...
